Review our objectives and become a member. Complete the membership application and forward with your joining fee to the address below.

### Objective:

The principal objective of WarrandyteCAN is to communicate to our community the urgent need to take immediate action on climate change, to raise awareness and empower people to act to significantly reduce greenhouse gas emissions.

### The Association will seek to achieve this objective by:

- Focussing on the problem of global warming and the need to reduce greenhouse gas emissions
- Involving households, businesses, schools and other institutions in sustainability programs involving energy, water, land and other resources.
- Lobbying to encourage political action at all levels
- Conducting education and awareness programs
- Networking with, and where appropriate, supporting local, national and international organizations with similar objectives
- Working with the media to promote the ideas of sustainability and sustainable practices.
